

FOREIGN OR ADULT STUDENT TUITION FEES

Belief

The Division shall charge a tuition fee to a student who is an adult or not a resident of the province of Alberta, or part of a reciprocal exchange program.

Guidelines

1. The tuition fee for foreign or adult students shall be set at a rate equal to the total funding the Division would receive from the provincial government for a resident student, Form #507-1: Foreign/Adult Tuition Fees.
2. The Division may consider requests from individual schools to waive these fees where the school demonstrates that this would be beneficial.
