

CIRCLE PROJECT

“Communities Investing in Relationships Creating Life-Long Empowerment”

Wetaskiwin Regional Public Schools (WRPS) and the Regional Health Authority are pleased to announce an exciting new partnered initiative funded by Alberta Health and Wellness through the Alberta Healthy School Community Wellness Fund.

A significant number of students come to school each day without their basic needs being met. The Circle project will bring together stakeholders in a coordinated effort to better meet the needs of students, parents, schools and the broader community in the areas of:

- active living,
- healthy eating,
- positive social environments by engaging students and their families in culturally-based learning activities.

Project Goals:

- Help the school community develop a strategy to address health priorities
- Provide schools with a choice of “easy to use” supports/ resources/ideas
- Facilitate interaction among school and community stakeholders

Partnering Schools include 4 from WRPS:

Centennial Elementary
Ecole Parkdale Elementary
Lakedell Elementary
Ecole Queen Elizabeth Jr. High

And 4 from the Hobbema Four Bands:

Nipiisihkopahk Elementary (Samson Band),
Mimiw Sakahikan (Samson Band), in the Ma Me O Beach area.
Two schools from Miyo Wahkohtowin Education (Ermineskin Band)
