National Archery in School's (NASP)

Wetaskiwin Composite High School (WCHS) will be continuing to participate in the National Archery in Schools Program (NASP).

The WCHS archery team would like to welcome you to participate and help form our team for the upcoming season. We are asking all students from grades 4-12 who are interested, to fill out the application below. No previous archery experience is needed to join the program.

We would like to remind you that this is to be a fun enjoyable learning experience for all. Even though this is called a competition, all students should realize that scores are not the most important component of this experience. If students are considering not taking this program because they are worried about how they shoot, reassure them that scores do not matter. The most important thing is that students are trying something new and are working towards their own personal goals.

We will be participating in at least three tournaments this year in Alberta. We also have the opportunity to attend Nationals in Regina.

There will be a windup fun shoot in Spruce Grove at the end of the season in the first part of May.

In order to be eligible to participate in these tournaments students must regularly attend practices.

Cost of NASP Program

- \$250 per student
 - Includes our team T-shirt
 - 3 tournaments and
 - Windup fun shoot
 - bussing
- Additional fees may arise throughout the season for extra tournament entry fees and transportation

Coaches

Mr. Kelly Kijewski

Mrs. Carmen Willows

Mr. Russel Shepansky

Practice Times

Practices will begin the week of Mid-End of October

- Practice dates and time will depend on how many students are interested.
- Potential times may be
 - Tuesday and Thursday nights 3:30pm-6:00pm
 - Wednesday mornings 7:00-8:30am

Archery Equipment

The school has all the necessary equipment for the students to participate in the Archery program. All students must use NASP

equipment to compete in this program. This includes Mathews Genesis bows and specific arrows. This is standard throughout the entire International NASP program. Students may purchase this equipment for themselves. Contact Mr. Kijewski for more info.

Volunteers Needed

Last year our team consisted of 23 members and we are hoping to reach 70-100 students this year. Because of this we need help in the following areas.

- Archery Coaches(**Need at least two more**)
 - All coaches need to be NASP trained. You would be required to cover all costs associated with attending a 1 day training workshop.

- Communications
 - This individual/s would be responsible for drafting communications/notes to parents about upcoming events and ensuring that everyone is in "the loop" with regards to practice time etc.
 - Contact Mr. Kijewski at the school (780) 352-2295

** Please note that all volunteers need to have a criminal record check. These are available through the RCMP.
